Join us!

Glasgows is a leading UK events management, production, and creative agency that provides a full-service events offering that turns our client's vision into reality. Our team is brimming with highly-skilled and passionate specialists that deliver seamless event management, captivating technical production and engaging creative, film and digital.

We're a friendly bunch, with a no fuss, can-do attitude that makes us approachable and easy to work with. Our relationships are important to us – taking care of our clients and team are our top priorities - and we pride ourselves on our reputation for complete reliability.

Does this sound like you? Then read on...

About you.

You'll be

- Warm and friendly
- Confident when communicating to your colleagues, our clients, and suppliers, face to face, over the telephone, and by email

everything is possible

- Able to thrive under pressure, in a fast-paced environment
- Highly motivated to work as both a self-starter and as part of a larger team on more complex projects

You'll have

- Keen attention to detail
- A strong technical background across all AV disciplines
- Competency across a range of software and hardware platforms
- A pro-active attitude and above all a willingness to get involved and take on responsibility
- A demonstrable track record within the live events industry
- A passion for all things technical in the live event arena and a desire to ensure we continue to be at the forefront in our industry

The role: AV Technician.

This is an exciting opportunity for someone with a strong technical background across AV disciplines and having worked with similar agencies or freelance in the delivery of conferences and events for public, private and third sector clients for at least 2 years.

As AV technician you'll

- Play an integral part in the technical production team, fulfilling a wide range of key tasks to support the technical production and warehouse operations for the company, including:
 - Testing, maintenance, and preparation of a wide range of stage set, audio, video, lighting, rigging, and IT equipment for productions and dry hires to the highest standard
 - Prep and de-prep equipment in and out of the warehouse
 - On-site setup, operation and dismantling of AV equipment
 - Taking the technical lead on small to medium events
 - Maintenance and servicing of equipment including PAT testing and repairs
 - Production of scale floorplans, using Visio / AutoCAD
 - Delivery of equipment to event venues using company vans
 - Booking of freelancers and liaising with suppliers, booking X-hire equipment
 - Loading and unloading of vans / trucks
 - Compiling AV quotes and client liaison
 - Undertake site inspections and reports
- Administer the systems and procedures provided for the management and tracking of equipment and assets
- Provide support to the production managers

- Be available for occasional travel and overnight stays to support Glasgows events across the UK
- Have a full, clean UK driving license, preferably

What we offer.

- The opportunity to work on exciting, high-profile events
- A friendly, creative environment, working as part of a hard-working and supportive team
- Competitive salary
- Contributory pension scheme
- 25 days holiday, plus birthday day off
- Life insurance
- Profit-related bonus scheme (non-contractual)
- Time and training to develop new and existing skills
- Staff social events
- Flexible working
